RECOUNTS

In 5/6J

We wrote postcards to each other recounting our weekend.

We could write a factual or fictional recount.

Dear Perry,

I had a great time enacting a Great Australian Bight babysitter.
First I saw crows play ball and I went out with my dad and the Great Barrier Reef. I had to be brave to swim and then I went under the water.

Best,
Jonas

Dear Chelsea,

I went to the dog park with my dog Max on Saturday after my dad finished doing the dishes at the front of our house. My dad put my brother's skateboard in the car and then he called all the kids to get in the car. When we got to the park, we played frisbee and rode bikes. Soon as we got home, we went to my brother's bike shop and fixed it. We went for a ride and then we went for a walk and came home.

Dear Alix,

I had a great weekend. I went to the beach and played soccer. I scored a goal and the other team started our team. We were very happy that we won our first game. Then our team celebrated on the field and went home.

Dear Alix,

I hope you are doing well. I was at a beach with my family and friends. Finally, we went to the water park. We had a lot of fun. Then we went to the water slides. They looked huge but they were not as scary as I thought.

Dear Alice,

I am so in Queensland with my family and friends. Finally, I went to the water park. We had a lot of fun. Then we went to the water slides. They looked huge but they were not as scary as I thought.
