On Wednesday, 17th July
Newbridge Heights PS had their annual athletics carnival. It was a great day for everyone.

First we had the 800m race. It was a really long race and everyone that ran in it was extremely tired afterwards.

Next we had the 100m races and novelty events such as parachute games, relay races and ball games.

We also had a 200m race and a house relay race at the end of the day.

At the end of the day, everyone was exhausted after a long day of running. Currently, Gandangara have the most house points, but we are waiting for the results from the field events to confirm the winning house.

I love the athletics carnival, especially the races. But my favourite almost burst and I nearly lost my voice from the war cry. Even though I'm in Ears, I still cheered on the other teams. It was a great day! - Ars Zenkovski

"The carnival was great and so was the canteen. The 100m sprint was tough but it was still a great day." — Patrick Tran
