CLASS 5/6P DRAMA KINGS AND QUEENS

5/6P’s class novel study is ‘Boy Overboard’ by Morris Gleitzman. This week we have taken a scene from the book and incorporated it with our drama lesson on freeze frames. A freeze-frame is when the action in a play or scene is frozen, as in a photograph or video frame. Groups were asked to tell a story through their freeze frame. The still images were also brought to life through dialogue.
